

Statement of Interest for the ACFAS Tri-State Treasurer Position

Dear ACFAS Tri-State Membership,

I am writing to express my interest in the position of Treasurer for the ACFAS Tri-State. With a strong passion for advancing the goals and mission of ACFAS, I am eager to contribute to the continued success and growth of our region's chapter.

As Treasurer, I would prioritize transparency, accountability, and collaboration with the executive board to ensure that all financial matters are managed efficiently and responsibly. I am committed to maintaining an open line of communication with our membership, keeping everyone informed about our region's financial status, and ensuring that we maximize our resources to support the education, advocacy, and professional development of our members.

I am excited about the opportunity to work alongside a dedicated team of leaders and members who share my passion for advancing the field of podiatry. I am confident that my skills and enthusiasm would be a valuable addition to the leadership of ACFAS Tri-State, and I look forward to the possibility of contributing to the continued success of our chapter.

Thank you for considering my application. I would be honored to serve as Treasurer and contribute to the future of ACFAS Tri-State.

Sincerely,

Brett Chatman
